Dear Madam / Dear Sir,

I would like at the beginning to welcome you to the results of the attached **Poll No**. **195** which would be most likely the last poll for this year. This poll covers almost all pressing hot issues of the Palestinian public at present, including their hopes and worries for the future, starting from the intention of the Palestinian public to go to the International Criminal Court in The Hague, to the various aspects of evaluating the last Gaza war where you will find amazing results, to the stance of the Palestinians towards many other social and political issues, including the coming legislative and presidential elections.

This ending year 2014 was a hard, tough year for many people around the world, particularly for us Palestinians. We hope, although the indications are not so much encouraging, that the next year 2015

will be a better, more peaceful and prosperous year for all mankind. In this sense we wish you a Merry Christmas and a Happy New Year 2015. God bless you.

To view the entire poll, please revert to our website: www.pcpo.org

And please feel free to contact us immediately if you have any questions or inquiry on any issue of this poll.

Yours,

Dr. Nabil Kukali
